Your Company Tax Return is due by 31 August 2026

Your company must deliver (file) one or more Company Tax Returns for the period specified below:

07 AUG 2025 to 31 AUG 2025

By law, you need to file any returns by the later of either the:

- first anniversary of the last day of the period the return relates to
- end of 3 months after the date of this notice

If you're late filing your Company Tax Returns, you may have to pay a penalty. To avoid penalties, file online by the filing date above. We can charge penalties for late returns even if your company does not owe any tax.

How to file your Company Tax Return

You must file your Company Tax Return electronically. Go to GOV.UK and search 'Company Tax Returns' for more information.

Your return also needs to include the appropriate attachments in the right format. For more details on this, go to GOV.UK and search 'format for accounts forming part of a Company Tax Return'.

You must file a return for the period above, even if your company has nil profit.

If your company is dormant, go to GOV.UK and search 'dormant companies and associations'.

How to pay if the company owes Corporation Tax

You'll find everything you need to pay online:

- go to GOV.UK and search 'pay your Corporation Tax bill'
- choose your payment method and follow the instructions

If you're asked for an account number when paying, use 12001020 with sort code 08-32-10. The account name is HMRC Shipley.

Check your payment reference before you pay

- When you pay, you must use the 17-digit payment reference shown at the top of this letter.
- Please keep your payment reference safe. Your payment reference changes with each accounting period, so only use the payment reference at the top of this letter.
- If you're using a banking app to pay, make sure you do not reuse a previous payment reference.
- Pay any amount the company owes on time. We charge interest on late payments.

For information on payment dates, go to GOV.UK and search 'pay your Corporation Tax bill'.
